

UPPER CANADA HERITAGE CAMP 2010

THE DRUMS

Weekend, April 16th - 18th 2010

@ Blue Springs Scout Reserve, [Blue Heron Camp](#)

Learn How Canada Came to Be!

Canada was built by many people who had had their homes and land taken away from them during the Revolutionary War of 1776. Canada remained an independent nation during the War of 1812 when the American objective was to take all the land north of the border up to the Arctic Circle.

Learn how these folks lived almost 200 years ago by experiencing life back then
