

WORLD SCOUT CONSERVATION CAMP 2010

“We Are All Connected”

@ Blue Springs Scout Reserve, Blue Heron Camp

The Scout World Conservation Camp -May 14 - 15 - 16, 2010 is being held at Blue Springs Scout Reserve (**SCENES Centre**)

Blue Springs Scout Reserve (**SCENES Centre**) has a policy of "No Trace Camping". If you bring it in, you must pack it out!

Included in our weekend of environmental education, we plan to *explore, understand, recognize and demonstrate* how the local environment effects the global connection.

Events will include an overall review of the **Following Scout Badges:**

>>>Naturalist<<<

>>>Soil and Water Management<<<

>>> Recycling<<<

The # 2 requirement for the **Scout World Conservation Award** is Scouts will have the opportunity to make a presentation and/or display of a conservation issue of importance to their community, Canada and the World.

The # 3 requirement for the Scout World Conservation Award is the two Service Projects. The rehabilitation of wet lands and tree planting.

Wide Game for Sunday Morning will help us to move forward; to identify threats to clean water and clean air; to understand further our Eco system; to be aware of harmful substances and identify their sources; to recognize how we are connected to our environment; and to look at some of our informed choices.
